6.0 Information Agenda

6.1 Fall Administrative Meetings

All schools will have been met with by the end of September. The focus was to gain feedback on what they may need support with moving forward and what they feel that their staff would benefit from. Two separate PD opportunities will be presented to staff using the feedback from Administrators and Staff to tailor it to their specific needs.

6.2 Graduation Requirements and the General Diploma

The key is that we must remember for students with special needs, they can earn a General Diploma, meet the state requirements (if local is more) and must be reviewed annually.

6.3 Teacher Appreciation Grants

Plymouth is JESSE's LEA and the 6 Certified Staff that work for JESSE are under their contract.

6.4 Professional Development

a. Administrative Workshops

Anyone who may chair a case conference would benefit by attending the September 20th training. In addition, Administration and Case Conference Coordinators will benefit from the October 10th training. The training is FREE.

b. New Staff/Teacher Trainings

All new staff/teachers have been met with. Small group trainings based on the individual skill level have started. Items being covered are Case Conference Procedures, Article 7, IEP Development, FBA/BIP and Transition IEP's. We hope to have this all completed by Christmas without overwhelming them.

c. Teacher/Administrator Training

Dates are being set for this training after meeting with local Administration to work with the Teachers. Administration is also encouraged to attend, as the items being covered will help as they supervise the Special Education programs.

d. Project Success Training

On Monday, September 25th, Life Skills Teachers have been invited to a continuation of the Project Success Training. In addition, the plan is to schedule 3 more trainings to cover Graduation Requirements, Diploma Changes and Standards Based Instruction. The Teachers have found this very beneficial.
