Thank you for taking the data monitoring information back to your Administrators. Positive outcomes have come from this.

6.3 Graduation Pathways

It was suggested to make this a regular item on the Agenda.

6.4 Facility Committee Update

The Committee met last month and made the recommendation that we investigate the option of maintaining the current lease with plans to enter into discussion with Plymouth School Corporation about the possibility of moving into the "Old" Plymouth High School section, now currently Lincoln Jr. High in the next couple of years.

6.5 Coffee Talk

This Coffee Talk was a long one about providing accommodations which has become a "manpower issue" and something that needs to be planned ahead of time.

All accommodations are being entered manually from IIEP into local Data Management systems for uploading. This is a time consuming item that has room for error.
