**Revise Without a Meeting Instructions
Due to Clerical Error**

This type of revision will be used when an error has been made in the IEP and was not corrected prior to finalizing the IEP.

If due to an error of omission and not discussed during the conference then another conference may need to be held to add that information.

Parent **MUST** be contacted in order to explain the error and the revision to the IEP.

Follow the same steps for the REVISE IEP WITHOUT A MEETING with the following exceptions:

1. **Review and Revision form:** Write clerical error above the explanation for the revision in the text box.
2. **Review conference notes:** include Clerical error and the date along with explanation of the revision.
3. **Parent signature is not necessary**-building principal signature still required.

Mail parent a copy of the R&R form along with revised IEP pages **ONLY** (please highlight revisions).

Send original R&R form into the JESSE office along with revised IEP pages **ONLY** (please highlight revisions).
